Call for proposals

We are very happy to invite you to Nijmegen, The Netherlands, for the 7th International Biennial Conference of EARLI SIG 16 Metacognition. The Conference is organized by the Behavioural Science Institute of the Radboud University Nijmegen and EARLI SIG 16: Metacognition from August 23-26, 2016.

The aim of the meeting is to provide a forum for presentation, exchange and discussion of research findings and ideas regarding the topic of Metacognition. We will offer an extended academic program with exciting keynote speakers, interesting symposia, paper and poster sessions. Additionally, we will offer the opportunity to organize half day or full day workshops in advance of the conference on Tuesday the 23rd of August. This will allow for in-depth discussion of innovative topics, methodologies and theoretical frameworks. The deadline for submissions is December 15th 2015.

Looking forward to welcoming you in Nijmegen,

Inge Molenaar, Conference chair

Keynotes
We are very excited to announce the following keynotes to you:
